### What is it?

The EOB Unit is an automated tool, not a service. Your workload doesn't increase.

### Who Needs It?

HR managers, recruiters & any outreach that supports veterans

### Our Background:

We've been on military installations over a decade assisting in a variety of capacities.

## What's the costs to join?

### Almost ZERO!

What's the cost if you don't?

### We'll waive the monthly fee of \$995

In exchange for "Eyes-On" review of the highest % matches to your job posting description

### Minimal account setup fee

To cover our costs for data feeds we charge a nominal setup/annual fee per hiring location to auto import your job postings. It's \$2.60 a day flat fee.

Minimize your workload
